There will also be no school as we celebrate Jesus' death and resurrection on Friday, March 29 (Good Friday) and Monday, April 1 (Easter Monday)

### Grade 8 Graduation info

Pictures: Lifetouch will be here on the morning of Wednesday, March 6 to take grad photos. To our grade 8 parents, please send back the picture forms that morning with any money included in advance.

Graduation: We are in need of more parents to help plan the upcoming graduation on June 20. If you interested in being part of this committee, please let Mrs. Valenta know as a meeting will be planned in the near future. Help is needed with decorating and meal planning.

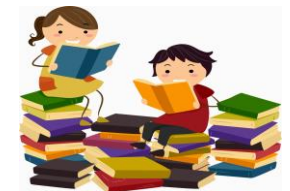

### 80's Day

On Wednesday, March 27, the student council has planned 80's Day! This is a time for students to dress up in all things from the 80's – big hair, side ponytails, leg warmers, chunky belts, stone-washed jeans and so much more!

### Whole School Reading Challenge

Our students have done an amazing job with the extra reading this past month. It has been an encouragement to hear from teachers that students want to read more and have demonstrated improved skills in both fluency and comprehension! This is a reminder that the challenge ends on Friday, March 1 at 3 pm. There will be individual prizes for everyone. These will be given out near the end of the day on Wednesday, March 6. We hope this has helped to create a lifelong love of reading for each of our students! Great job, everyone! A big thank you to Mrs. Drews for all of her hard work and dedication in creating this special event.

### Registration for 2024-2025

Thank you to those who have already sent in your intent to register forms for the 2024-2025 school year. We have heard back from many of you and anticipate a good number of students. We had a great Kindergarten Open House last week and met several potential new families. If you know of anyone who wanted to come, but was unable, please have them reach out to the school email and I would be happy to set up a meeting/tour with them in the next few weeks.
