

Hi! My name is Veronica Drews, and I have been teaching at Plattsville Christian School since 2002. I love my role as a kindergarten teacher where I have the opportunity to teach and nurture enthusiastic young children who are eager to learn. I cherish the moments, when students turn their hearts to Christ, accomplish new skills, or discover that they can read. What a privilege to be able to teach in a Christian school as well as experience the blessings of having your children attend and graduate from PCS!

I have always had a desire to teach, and after completing my Honours Bachelor of Arts (Social Development Studies and Psychology) from the University of Waterloo and my Bachelor of Education from Western, the Lord provided me with the opportunity to be a teacher of a new school called Christ Lutheran School where I worked for several years. After my second year of teaching, I married my best friend, Gerry and later the Lord God blessed us with three children; Christopher, Philip and Jennifer. Over the years, the Lord has enabled me with different opportunities such as teaching Music For Young Children, tutoring with NILD therapy and fulfilling the role of principal for several years at PCS.

Presently, my days are full teaching kindergarten, playing with my two adorable grandchildren, Horatio and Primrose, coordinating various ministries at the Roseville Church as well as spending quality time with my family and friends. Overall, I am very thankful to the Lord for the opportunity to work at PCS and I praise Him for his countless blessings in my life.
